

Departure Check-List

We are really proud of our cabin and we work very hard to keep it in excellent condition. Ultimately we ask that all our guests leave the Mulhurst Bay Chalet in the condition that you find it.

We will ensure bathrooms, bedding and linens/towels are laundered for the next guests. If however you are looking for wet cleaning supplies (Windex, Fantastic, VIM, etc.) there is a bin of these supplies on the shelf in the laundry room.

Cabin Check-out / To-do List:

- ✓ Close all windows
- ✓ Put cover on BBQ
- ✓ Turn off all lights
- ✓ [Winter only] - Turn heat thermostat down – 18 degrees C.
